

**2007 PRO BONO PARALEGAL OF THE YEAR AWARD**

**Nomination Form**

On behalf of the Colorado Bar Association, the CBA Paralegal Committee is beginning its search for Colorado paralegals who deserve recognition. The Committee needs suggestions from the legal community so it can get the best possible selection of people to be honored by the CBA. Please take a moment to review the criteria for the award and to nominate those who you think are deserving of such recognition.

We have provided space below for nomination of a paralegal who performs *pro bono* work in service to the Colorado legal community. In addition, we have provided space for naming a paralegal who volunteers his/her time to organizations outside of the legal community, which may not be eligible for the *pro bono* award. It is our desire to recognize all volunteer efforts, not just those to the Colorado legal community, and those named individuals will be recognized at the Award Luncheon on Thursday, September 27, 2007.
