**W**hether you are contemplating taking your first motor vehicle accident case or you are a seasoned practitioner wanting the most up-to-date and critical information in the motor vehicle accident arena, this program will be the best way you can spend your day to enhance your skills to best serve your clients' needs. We have gathered Colorado's leading experts in auto accident and insurance law to bring you this outstanding, information-packed day.

Our day begins with an important case law update, as well as the changes you must know to the Uninsured Motorist Insurance Law, as it will affect your practice effective in 2008. It continues with a complete picture of insurance law and the good faith duties of insurance companies, critical to your negotiation and practice skills. Next, we venture into the realm of subrogation to bring you up-to-speed in this critical area. After lunch, the experts will share with you their key pointers on just how to improve and disprove your motor vehicle accident cases, the logistics of trial, and the arguments that work to enhance your practice. Finally, you will learn the special issues involved with motorcycle and commercial vehicle accidents.

And all of this will be presented by the State's top practitioners who are ready and willing to share their extensive experience and expertise with you. This is a day devoted to streamlining your skills and polishing your practice. It is a program that you cannot afford to miss if you want to stay on top of your game.

*Join us in June for this incredible day  
of learning and networking!*
