

Denver Bar Association Mentoring Program
Participant Information Form

The goal of the Mentoring Program is to foster professionalism and assist the mentee with practical everyday problems that are not taught in law school by:

- ◆ Helping newer lawyers learn the basics of "lawyering" from more experienced legal practitioners and bridging the gap between law school and law practice;
- ◆ Carefully bringing together lawyers with differing levels of experience for the mutual exchange of information to benefit the participants, the profession and the public;
- ◆ Promoting awareness, understanding, appreciation and application of the principles of professionalism.
