Colorado Environmental Regulatory and Enforcement Summit

Co-Sponsored by the Environmental Law Section of the CBA

We have received your requests and have answered your call! With so many new developments and critical questions arising in Colorado's Environmental Regulatory and Enforcement arena, this timely and comprehensive program is a must for your Environmental Law practice. This is your personal opportunity to meet Colorado's Environmental Regulators, sharpen your skills in the administrative hearings process, learn about environmental covenants and restrictive notices, discover the issues involved with cities and counties, master the metropolitan air issues, learn about the oil and gas environmental controls and listen to Colorado's Attorney General, John Suthers, address the key environmental regulatory and enforcement issues facing Colorado today.

We have gathered some of Colorado's leading environmental experts and environmental practitioners to bring you this outstanding, information-packed day. Whether you are contemplating taking on your first environmental case or you are a seasoned practitioner, this program will be the best way you can spend your day to enhance your Environmental Law skills and knowledge to serve your clients to the best of your ability. **REGISTER TODAY!**
