

There's just the addition of John DeBruyn's language at the end of (2)(b) of the proposed statutory amendment, as follows: Accordingly, the construction of statutes of this state with respect to such matters and the determination of the principles of law and equity applicable under section 15-14-721 with respect to such matters shall not be affected by such statements.

In the alternative, this could be offered via friendly amendment.

Hi Andrea –  
Could you please post the attached two documents to the SRC website for Thursday's meeting?

Thanks!
