

Since 1985, the CBA has proudly sponsored the CBA High School Mock Trial program. The program includes more than 100 schools across the state and over 2,000 students and hundreds of volunteers. Volunteers are the most important part to the success of this program. Not only do volunteers score and judge each round, but we have many volunteers running “behind the scenes.” The most important volunteers to this program are the team teacher and attorney coaches.

Below is the final list of ranking from the tournament.

2009 State Tournament Results

1. Wm. Jackson Palmer High	Madison
