Discovery Genie: [Discovery Genie](#) is committed to supporting the legal community during these extraordinary times, so we are waiving our \$200 subscription fee for the foreseeable future. The Genie is a cloud-based, less-is-more discovery tool to simplify document production for cases with up to 35,000 pages, needs no IT integrations, and takes less than an hour to master while saving money for our firms and their clients. As always, we will continue to offer free training and on-going support, so our customers feel comfortable using Discovery Genie. If you're a litigator and need a simple way to make document production seamless and accessible for your clients, you and anyone else on your team, without being beholden to or waiting for IT, we would love to help.

The Form Tool: During the COVID-19 crisis The Form Tool is making available millions of dollars of our programs to existing customers *completely for free, with no strings, no hassles, no fine print.* As a customer all that is needed is to [click here](#) and you're set to go.
