

14-10-114 (3)(b)(I)

The amount of maintenance under the guidelines is equal to forty percent of the higher income party's monthly adjusted gross income less fifty percent of the lower income party's monthly adjusted gross income; except that, when added to the gross income of the recipient, shall not result in the recipient receiving in excess of forty percent of the parties' combined monthly adjusted gross income.

14-10-114 (8)

(I) "Adjusted gross income" means gross income as defined in paragraph (c) of this subsection (8), less preexisting court-ordered child support obligations actually paid by a party, preexisting court-ordered alimony or maintenance obligations actually paid by a party, and the adjustment to a party's income as determined pursuant to section 14-10-115(6) (b) (I), for any children who are not children of the marriage for whom the party has a legal responsibility to support.

14-10-114(3)(c)

Factors affecting the amount and term of maintenance. In any proceeding for maintenance, the court shall consider all relevant factors, including but not limited to:

(II) The financial resources of the payor spouse, including the actual or potential income from separate or marital property or any other source and the ability of the payor spouse to meet his or her reasonable needs while paying maintenance;

(V) Both parties' income, employment, and employability, obtainable through reasonable diligence and additional training or education, if necessary, and any necessary reduction in employment due to the needs of an unemancipated child of the marriage or the circumstances of the parties;

(XI) Whether the circumstances of the parties at the time of permanent orders warrant the award of a nominal amount of maintenance in order to preserve a claim of maintenance in the future;

(XII) Any other factor that the court deems relevant.
