## DETAILS

The companies, organizations, and vendors listed here have represented to the Colorado Bar Association (CBA) that they have programs or discounts on their products or services for CBA members. CBA marketing management tries to stay abreast of what these vendors are offering our members, and we encourage them to improve and update their services, benefits, and goods. Nevertheless, because the variety of what is being offered is ever-changing and the nature of the marketplace is constantly shifting, the CBA cannot guarantee that these benefits are the absolute best deals our members can get at any given time.

Therefore, we encourage you to shop wisely, compare offers, check out references, and then decide what is in your best interests. The CBA appreciates any feedback you can provide us about your experiences so that we can better determine what to bring to your attention. Thank you for supporting our vendors, and thank you for your membership!
