

Unleash your inner photographer.

Colorado Lawyer would like to consider
your photograph for its cover.

We welcome photos of Colorado landscapes, buildings, landmarks, and animals, as well as photographs of original artwork. People may be in the photo, but they should not be identifiable.

Send original, high-resolution jpeg files to Kate Schuster at kschuster@cohar.org.

Only photographs taken by active or retired CBA members, Colorado law students, or law-related administrative staff will be considered.
